

## **2023 New HISCFA Director Candidate Bios**

### **FRED CARDINALI**

I am excited about applying for the position of Director for the Association. I have been a property owner on the Island since 2003 and have enjoyed the Island life and the many functions of the Association. I believe that I can use the many positions of leadership that I have held during my life to help improve the effectiveness of the Association. I have had 25 years of leadership in education and 12 years as a general manager in the granite and marble business, doing business in Brazil and Italy. I have been involved in the construction trades for many years. I was also the Secretary for the H.I. Lions for 7 years and am currently a Director for the Lions. I believe I can use the variety of experiences of my working careers to continue improving the effectiveness of the Association. I look forward to serving as a Director for the H.I.S.C.F.A.

### **GORDON COUTURE**

My name is Gordon Couture. My brother and I are third-generation owners of our family cottage on Harsen's Island. I have been visiting the Island since before I was born (so I have been told). I spent many summers here as a teenager working at both The Idle Hour and The Old Club. Since retirement, we spend most of the summer on the Island. I am currently on the board of the HOA for our primary residence in Shelby Township, where I have served as president, secretary and treasurer. As a board member, I would like to encourage all Island residents, both full-time and part-time, to join the Association.

### **BOBBIE TIPPIE**

I have in lived in Port Huron, Michigan for over 20+ years, and my husband and I have lived on Harsen's Island now for 8 years. I love to watch the water, Freighters, nature and the animals we share the Island with. I was born in Sidney, Ohio. I have lived in many different states, including Ohio, Michigan, Texas and Kentucky. My favorite state above all is Kentucky. I have been married for 31 years now. I have 2 children and 5 grandchildren that I love to spend time with and watch grow. I have been a secretary starting at 10th grade in the office, and have worked at Fermi II, Ford Motor Company, a Chiropractic Office, Wayne Hospital and the American Red Cross. I have had a Cleaning Business for over 7 years and currently volunteer to clean the Harsen's Island Lions Hall. I love to read, spend time with the dogs and camp, especially at the Amish Community in Berlin, Ohio.

### **STACY WILLIAMS**

My name is Stacy Williams, a married mother to four. My Great Uncle began building our property on Harsens Island in 1937. My father purchased it from him in 1991 and he passed it on to me and our family in 2010. My love for the island began as a child and remains to this day as a full-time resident. I have a background that ranges from a 30-year career as a Paralegal (retired), 21 years as a professional photographer, Notary Public, Room Mom for all four of my children (three at one time), Cub Scout Den Leader and volunteering for various charities through the years. I would like to use my life experiences to contribute to HIFSCA to continue to see our community grow and thrive.
